

Flower Of Scotland

The Corries

Scottish anthem - *Flùr na h-Alba* - First version (1968)

O Flower of Scotland
Will we see your likes again
That fought and died for
Your wee bit Hill and Glen
*And stood against him
Proud Edward's Army
And sent him homeward
Tae think again*

The hills are bare now
Autumn leaves lie thick and still
O'er land that's been lost now
Which those so dearly held
*That stood against him
Proud Edward's Army
And sent him homeward
Tae think again*

O Flower of Scotland
Will we see your likes again
That fought and died for
Your wee bit Hill and Glen
*And stood against him
Proud Edward's Army
And sent him homeward
Tae think again*
